If a Securityholder appoints more than one proxy, neither proxy may vote on a show of hands, but both proxies will be entitled to vote on a poll.

Note: The Chair will call a poll on all resolutions.

REPRESENTATIVES

A body corporate may appoint an individual as its representative to exercise any of the powers the body corporate may exercise at meetings of Securityholders. The appointment may be a standing one. Unless the appointment states otherwise, the representative may exercise all of the powers that the appointing body could exercise at a meeting or in voting on a resolution.

The representative should bring to the meeting evidence of their appointment, including any authority under which the appointment is signed, unless it has previously been given to the Company.

A proxy form accompanies this Notice of Annual General Meeting.

If you are entitled to attend and cast a vote at the meeting, you may appoint a person as your proxy to attend and vote for you at the meeting and that appointment may specify the proportion or number of votes that the proxy may exercise. If you appoint 2 proxies but do not specify the proportion or number of your votes that each proxy may exercise, each proxy may exercise half of your votes. APPOINTMENT OF THE CHAIR OR OTHER KEY MANAGEMENT PERSONNEL AS YOUR PROXY

Due to the voting exclusions and requirements referred to in the Notice of Annual General Meeting, if you intend to appoint any Director or other Key Management Personnel or their Closely Related Parties, other than the Chair, as your proxy, you should direct your proxy how to vote on Resolution 1 (Adoption of Remuneration Report) by

marking either "For", "Against" or "Abstain" on the proxy form for the relevant item of business. If you do not direct such a proxy how to vote on that Resolution, they will not be able to vote an undirected proxy and your vote will not be counted. This does not apply to the Chair, who is able to vote undirected proxies.

HOW THE CHAIR OF THE MEETING WILL VOTE UNDIRECTED PROXIES

You should note that if you appoint the Chair as your proxy, or the Chair is appointed your proxy by default, you will be taken to authorise the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with the Remuneration Report of a member of the Company's Key Management Personnel. Instructions are provided in the proxy form distributed with the Notice of Annual General Meeting.

If you appoint the Chair of the Meeting as your proxy and you wish to vote differently to how the Chair of the Meeting intends to vote on any of the items you must mark either of the boxes "For", "Against" or "Abstain" on the proxy form for the relevant Resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of all the Resolutions.

NON-CHAIR DIRECTED PROXIES

Non-Chair proxy holders are required to cast all of their directed proxies on all Resolutions as directed on a poll if they vote. If a nominated proxy does not vote on a poll, the proxy will automatically default to the Chair, who has a duty to vote all directed proxies on a poll (sections 250BB and 250BC of the *Corporations Act*).

EXPLANATORY MEMORANDUM

These Explanatory Notes have been prepared for the Securityholders to provide information about the items of business to be considered at the Annual General Meeting of the Company to be held at **11:00 AM (AEDT) on Wednesday 24 November 2021**.

The Company recommends that SecurityHolders read this Explanatory Memorandum in full and in conjunction with the Notice before making any decisions in relation to the proposed Resolution.

Overview of Explanatory Notes

Sections 1 through 9 of these Explanatory Notes provides information relating to the Ordinary Business described in the Notice of Annual General Meeting, including Resolutions 1 through 6, relevant disclosures and annexures. Resolutions 1 through 6 are Ordinary Resolutions. Resolution 7 is a Special resolution.

Section 10 sets out the glossary of terms used in these Explanatory Notes.

The information contained in these Explanatory Notes is important and should be read carefully by all Securityholders.

1.1 Securityholder questions and comments

The *Corporations Act* requires that the Financial Report, the Directors' Report, the Remuneration Report and the Auditor's Report for the Company for the year ended 30 June 2021 be laid before the meeting.

There is no requirement in the *Corporations Act* or the Company's Constitution for Securityholders to approve those reports.

The Chair will allow a reasonable opportunity for Securityholders to ask questions or make comments about those reports and the business and operations of the Company.

Securityholders will also be given a reasonable opportunity to ask the auditor questions about the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements, and the independence of the auditor in relation to the conduct of the audit.

1.2 How to obtain a copy of the Annual Report to SecurityHolders 2021

Securityholders are able to access an electronic version of the Company's 2021 Annual Report on the NSX website at <https://www.nsx.com.au/about/investor-relations/financial-reporting/>.

Alternatively, a hardcopy of the Company's 2021 Annual report can be requested by contacting the Company Secretary via email at cosec@nsx.com.au during business hours.

2. REMUNERATION REPORT

2.1 Resolution 1 – Adoption of the Remuneration Report

Securityholders are required to vote on the Remuneration Report.

The Remuneration Report is contained within the Directors' Report of the Annual Report, including the required presentation of the remuneration tables referred to in the report and set out in the notes of the financial statements.

The vote on this item is advisory only and does not bind the Directors or the Company. However, the outcome of the vote and comments made by Securityholders on the Remuneration Report at the meeting will be taken under advisement by the Directors when formulating future remuneration policies.

In addition, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, Securityholders will be required to vote at the second of those AGMs on a resolution (a "Spill" Resolution) to determine whether another meeting should be held within 90 days at which all the Directors (other than the Managing Director) must present themselves for re-election. Securityholders are not required to vote on a spill resolution at this Meeting.

The Company encourages all Securityholders to cast their votes on this Resolution.

2.2 What majority of votes is required for Resolution 1 to be passed?

An Ordinary Resolution is required for Resolution 1 to be passed. That is 50% or more of the votes counted either by a show of hands or in a poll.

2.3 Who can vote on Resolution 1 (Voting Exclusions)?

Subject to the Constitution and *Corporations Act*, all Securityholders can vote on Resolution 1 except Key Management Personnel and their Closely Related Parties.

If you chose to appoint a proxy, you are encouraged to direct your proxy how to vote on Resolution 1 by marking either "**For**", "**Against**" or "**Abstain**" on the proxy form for that Resolution.

2.4 Undirected proxies

The Chair of the meeting will exercise any undirected proxies for this Resolution and any subsequent "Spill" resolution even though the Resolution is directly or indirectly connected with the remuneration of a member of the Key Management Personnel. Any undirected proxies held by other Key Management Personnel or any of their Closely Related Parties will not be voted on this Resolution.

2.5 Directors' recommendation

The Directors unanimously recommend that the Securityholders pass Resolution 1.

5. ISSUE OF PERFORMANCE RIGHTS TO JOHN KARANTZIS

The Company has agreed, subject to obtaining Shareholder approval, to issue 833,334 Performance Rights (**Director Performance Rights**) to Mr John Karantzis (or his nominee) pursuant to the terms and conditions set out below. Mr Karantzis is the current interim Chief Executive Officer and Managing Director.

The Director Performance Rights to be issued to Mr Karantzis will be issued on the terms and conditions set out below and in Annexure 1 of this Notice. The issue of the Director Performance Rights is a non-cash form of remuneration and will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Karantzis.

The terms and conditions of issue are the same as previously approved by SecurityHolders at the meeting held on 30 April 2020 and are summarised in Annexure 1 of this notice.

Resolution 4 seeks Securityholder approval for the issue of the Director Performance Rights to Mr Karantzis (or his nominee).

5.2 Information about the Issue of performance rights

Each Director Performance Right will vest into one Share subject to the satisfaction of certain milestones and vesting conditions which are set out in Schedule 1.

In the event that the applicable milestones and vesting conditions are not met, the Director Performance Rights will not vest and as a result, no new Shares will be issued. There is nil consideration payable upon the issue of the Performance Rights or on the vesting of a Performance Right to a Share.

See Annexure 1 for a summary of the terms and conditions of the Performance Rights (including milestones and vesting conditions) the subject of Resolution 4.

5.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of Director Performance Rights constitutes giving a financial benefit and Mr Karantzis is a related party of the Company by virtue of being a Director and associated with a substantial SecurityHolder.

The Directors (other than Mr Karantzis who has a material personal interest in Resolution 4) consider that SecurityHolder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of Director Performance Rights because the decision by Directors to grant the Director Performance Rights, reached as part of the remuneration for Mr Karantzis, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis and therefore fall within the exception contained within section 210 of the Corporations Act.

5.4 ASX Listing Rule 10.11

ASX Listing Rule 10.11 requires SecurityHolder approval to be obtained, unless one of the exceptions in ASX Listing Rule 10.12 applies, where an entity issues, or agrees to issue, securities to a related party under Listing Rule 10.11.1.

As the grant of the Director Performance Rights falls within ASX Listing Rule 10.11.1 and involves the issue of securities to a related party of the Company, SecurityHolder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

Resolutions 4 and 5 seek the required Shareholder approval for the grant of the Director Performance Rights under and for the purposes of ASX Listing Rule 10.11.

5.5 ASX Listing Rule 10.17

Mr Karantzis is an executive-Director and therefore his remuneration is not part of the remuneration pool that has been approved by SecurityHolders. The Company is not seeking to change the size of the pool. Therefore SecurityHolder approval is not required under this rule.

5.6 Technical Information Required by ASX Listing Rule 14.1A

Resolution 4 is conditional on Resolution 5 being passed.

If Resolutions 4 and 5 are passed, the Company will be able to grant the Director Performance Rights to Mr Karantzis during the month following the Meeting (or a longer period if allowed by the ASX).

If either Resolution 4 or Resolution 5 are not passed, Mr Karantzis will not receive the Director Performance Rights.

5.7 Technical Information Required by ASX Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in respect of Resolution 4:

- a) the Related Party to whom the Director Performance Rights are to be issued under this Resolution is Mr Nickolas John Karantzis who is a Related Party by virtue of being a Director and associated with a substantial SecurityHolder owning more than 10% of the issued capital of the company in accordance with ASX Listing Rule 10.11.1. Mr Karantzis may appoint a nominee to hold the Performance Rights;
- b) the maximum number of Director Performance Rights that will be issued is 833,334;

- d) the Director Performance Rights to be issued will be issued for nil cash consideration (and there is no consideration payable on the vesting of Performance Rights to Shares), accordingly no funds will be raised on issue of the Director Performance Rights or the vesting into Shares;
- e) the value of the Director Performance Rights is \$100,000 (or 12 cents per share);
- f) the relevant interests of John Karantzis in the securities of the Company which amounts to 19.99% of the issued capital of the Company is set out below:

Holder of relevant interest	Nature of relevant interest	Class and number of securities

Select All Enterprise Limited BVI Co No 2003943	Select All Enterprise Limited (Select) has voting power above 20% in relation to ISXF as Select holds 41% of the shares, which means Select has a relevant interest under section 608(3)(a) of the Act.	56,499,033 fully paid ordinary shares

This will increase the number of Shares on issue from 282,613,079 Shares to 283,446,413 Shares (assuming that no Options are exercised, no Partly Paid Shares are paid up, no existing Performance Rights vest and no other Shares are issued) with the effect that the shareholding of existing SecurityHolders would be diluted by an aggregate of 0.24%.

The direct and indirect relevant interests would go from 56,499,003 Shares to 57,332,367 Shares or from 19.99% to 20.23% of the issued capital.

- j) the primary purpose of the issue of the Director Performance Rights to Mr Karantzis is to provide a performance linked cost effective incentive component to the current remuneration and to continue to motivate and reward the performance of Mr Karantzis in his role as interim CEO and Managing Director;
- k) The Directors (excluding Mr Karantzis) each recommend that SecurityHolders vote in favour of Resolutions 4 and 5 for the following reasons:
- the issue of Director Performance Rights will further align the interests of Mr Karantzis with those of SecurityHolders;
 - the issue of the Director Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Karantzis.
 - The Board notes that Mr Karantzis' current remuneration is \$88,000 per annum (inclusive of Tax and Super Guarantee) which is below market rates for such a position; and

- (iv) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Director Performance Rights upon the terms proposed.
- l) Mr Karantzis declines to make a recommendation to SecurityHolders in relation to Resolutions 4 or 5 due to his material personal interest in the outcome of the Resolutions.
- m) in forming their recommendations, each Director considered the experience of Mr Karantzis, the existing and proposed contribution of Mr Karantzis to the Company and the current market practices when determining the provision of the performance rights and the terms proposed; and
- n) the Board is not aware of any other information that would be reasonably required by SecurityHolders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 4 and 5.

Approval pursuant to ASX Listing Rule 7.1 is not required for the grant of the Director Performance Rights as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the grant of Director Performance Rights to Mr Karantzis (or their nominee) will not be included in the use of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

5.8 What majority of votes is required for Resolution 4 to be passed?

An Ordinary Resolution is required for Resolution 4 to be passed. That is 50% or more of the votes counted either by a show of hands or in a poll. Resolution 4 is also conditional on resolution 5 being passed.

5.9 Who can vote on Resolution 4? (voting exclusions)

Subject to the Constitution and the exclusion statement, all Securityholders can vote on Resolution 4. If you chose to appoint a proxy, you are encouraged to direct your proxy how to vote on Resolution 4 by marking either "For", "Against" or "Abstain" on the proxy form for that Resolution.

An exclusion statement applies for this resolution.

5.10 Directors' recommendation

Each independent, non-associated Director recommends that SecurityHolders vote in favour of Resolution 4.

6. APPROVAL TO EXCEED 20% THRESHOLD

6.1 Resolution 5 – 20% approval

Resolution 4 is dependent on this Resolution 5 being approved.

If the Director Performance Rights to Mr Karantzis vest, then a total of 833,334 Shares would be issued. This will increase the number of Shares on issue in the Company from 282,613,079 Shares to 283,446,413 Shares (assuming that no Options are exercised, no Partly Paid Shares are paid up, no existing Performance Rights vest and no other Shares are issued) with the effect that the shareholding of existing SecurityHolders would be diluted by an aggregate of 0.24%.

The direct and indirect relevant interests of Mr Karantzis would increase from 56,499,003 Shares to 57,332,367 Shares or from 19.99% to 20.23% of the issued capital (see Resolution 4 for more details on the relevant interests held).

6.2 Corporations Act Sections 606 and 611 item 7

Section 606 of the Corporations Act prohibits a person acquiring a relevant interest in issued voting shares in a company if, as a result of the acquisition, that person or someone else's voting power in the company increases from less than 20% to more than 20%, or from a starting point that is above 20% and below 90% (Section 606 Prohibition).

The voting power of a person in a body corporate is determined under section 610 of the Corporations Act. The calculation of a person's voting power in a company involves determining the voting shares in the company in which the person and the person's associates have a relevant interest.

Section 608 of the Corporations Act states that a person has a relevant interest in securities if they:

- a) are the holder of the securities; or
- b) have power to exercise, or control the exercise of, a right to vote attached to securities; or
- c) have power to dispose of, or control the exercise of power to dispose of, the securities.

It does not matter how remote the relevant interest is or how it arises. If two or more people can jointly exercise one of these powers, each of them is taken to have that power.

There are various exceptions to the Section 606 Prohibition, including under section 611 (item 7) of the Corporations Act. Section 611 (item 7) of the Corporations Act provides an exception to the Section 606 Prohibition, in circumstances where the shareholders of the company approve an acquisition of a relevant interest in the company at a meeting at which no votes are cast by the acquirer of the relevant interest and the person from whom the acquisition is to be made, including their respective associates.

This resolution seeks SecurityHolder approval to allow the acquisition of the additional 0.24% relevant interest by Mr Karantzis in the Company as part of the Director Performance Rights Scheme which would mean that he would have a relevant interest of 20.23%. This increase in voting power would breach the Section 606 prohibition. For this reason the Company is seeking SecurityHolder approval for the purposes of Section 611 (item 7) of the Corporations Act to permit the Company to issue the Director Performance Rights and subsequently the new Shares to Mr Karantzis.

Select All Enterprise Limited BVI Co No 2003943	Select All Enterprise Limited (Select) has voting power above 20% in relation to ISXF as Select holds 41% of the shares, which means Select has a relevant interest under section 608(3)(a) of the Act.	56,499,033 fully paid ordinary shares (19.99%)	57,332,367 fully paid ordinary shares (20.23%)

Mr Karantzis has no intention in this respect and the Board advises that a dividend is not presently paid by the Company and there is no foreseeable change to this policy.

j) *The interest that any Director has in the acquisition or any relevant agreement;*

The Directors (other than Mr Karantzis) do not have an interest in this Resolution.

k) *An analysis of whether the acquisition the subject of this Resolution is fair and reasonable to the non-associated Shareholders;*

The Directors consider that:

- (i) an offer is considered “fair” if the value of the offer price or consideration is equal to or greater than the value of the securities that are the subject of the offer. The comparison should be made assuming a knowledgeable and willing, but not anxious, buyer and a knowledgeable and willing, but not anxious, seller acting at arm’s length; and
- (ii) an offer is considered to be “reasonable” if it is “fair”. If the offer is “not fair” it may still be “reasonable”, if the Director believes that there are sufficient reasons for security holders to accept the offer in the absence of any higher offer.

With reference to the Company’s current circumstances, the Directors consider that given the Rights are being issued as part of the Director Performance Rights Plan that the quantum has been applied on an arms length and reasonable and fair basis.

6.4 Voting restrictions

The Company will disregard any votes cast in favour of this Resolution by or on behalf of:

- a) Mr Karantzis (and his nominee/s) and any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by reason of being a holder of ordinary securities in the Company); or
- b) an associate of that person or those persons.

However, this does not apply to a vote cast in favour of this Resolution by:

- a) a person as proxy or attorney for a person who is entitled to vote on this Resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- b) the Chair of the meeting as proxy or attorney for a person who is entitled to vote on this Resolution, in accordance with a direction given to the chair to vote on this Resolution as the chair decides; or
- c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on this Resolution; and
 - (ii) the holder votes on this Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.
- d) The Chair will cast any undirected votes for this Resolution.

6.5 What majority of votes is required for Resolution 5 to be passed?

An Ordinary Resolution is required for Resolution 5 to be passed. That is 50% or more of the votes counted either by a show of hands or in a poll.

6.6 Who can vote on Resolution 5? (voting exclusions)

An exclusion statement applies for this resolution.

6.7 Directors' recommendation

Each independent, non-associated Director recommend that SecurityHolders vote in favour of Resolutions 4 and 5 for the following reasons:

- (i) the issue of Director Performance Rights will further align the interests of Mr Karantzis with those of SecurityHolders;
- (ii) the issue of the Director Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Karantzis.
- (iii) The Board notes that Mr Karantzis' current remuneration is \$88,000 per annum (inclusive of Tax and Super Guarantee) which is below market rates for such a position; and
- (iv) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Director Performance Rights upon the terms proposed.

In forming their recommendations, each Director considered the experience of Mr Karantzis, the existing and proposed contribution of Mr Karantzis to the Company and the current market practices when determining the provision of the performance rights and the terms proposed; and

The Board is not aware of any other information that would be reasonably required by SecurityHolders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 4 and 5.

7. APPROVAL TO ISSUE PERFORMANCE RIGHTS TO SCOTT EVANS

7.1 Resolution 6 – Approval to Issuer Performance Rights to Scott Evans

The Company has agreed, subject to obtaining SecurityHolder approval, to issue 83,334 Performance Rights (**CoSec Performance Rights**) to Mr Scott Evans, the Company Secretary (or his nominee) pursuant to the terms and conditions set out below.

The CoSec Performance Rights to be issued to Mr Evans will be issued on the terms and conditions set out below and in Annexure 1 of this Notice. The issue of the CoSec Performance Rights is a non-cash form of remuneration and will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Evans.

The terms and conditions of issue are the same as previously approved by SecurityHolders at the meeting held on 30 April 2020 and are summarised in Annexure 1 of this notice.

7.2 Information about the issue of CoSec Performance Rights

Mr Evans is the Company Secretary of the Company and has been Company Secretary since 2006. Up until 30 June 2017 Mr Evans was General Manager and Company Secretary performing a wide range of activities in relation to those roles. Mr Evans was originally employed by the Company in September 2001 and since 1 July 2017 as an independent contractor.

Mr Evans long term experience and knowledge of the operations of the Company is seen by the Board as invaluable and the issue of the CoSec Performance Rights is a way of rewarding and maintaining that knowledge without additional cash out lay by the Company.

Mr Evans currently owns 42,000 fully paid ordinary shares in the Company. The value of the CoSec Performance Rights is \$10,000. If approved, the vesting date will 24 November 2022.

7.3 What majority of votes is required for Resolution 6 to be passed?

An Ordinary Resolution is required for Resolution 6 to be passed. That is 50% or more of the votes counted either by a show of hands or in a poll.

If Resolution 6 is not passed, Mr Evans will not receive the CoSec Performance Rights.

7.4 Who can vote on Resolution 6? (voting exclusions)

Subject to the Constitution and voting exclusions, all Securityholders can vote on Resolution 6. If you chose to appoint a proxy, you are encouraged to direct your proxy how to vote on Resolution 6 by marking either “**For**”, “**Against**” or “**Abstain**” on the proxy form for that Resolution.

A voting exclusion applies to this resolution.

7.5 Directors' recommendation

The Directors recommend that Securityholders vote in favour of Resolution 6.

8. INCREASE IN SHARE PLACEMENT CAPACITY

8.1 Placement capacity under ASX Listing Rules 7.1 and 7.1A

ASX Listing Rule 7.1A enables small to mid-cap listed companies to seek Securityholder approval by Special Resolution to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placements over a 12 month period (10% Placement Facility).

This is in addition to the existing 15% placement capacity permitted by Listing Rule 7.1.

Resolution 7 is seeking approval of Securityholders by Special Resolution for the issue of such number of equity securities as calculated under the formula in ASX Listing Rule 7.1A.2, at an issue price as permitted by ASX Listing Rule 7.1A.3 to such persons as the Board may determine and on the terms described in this Explanatory Memorandum.

8.2 Previous Financial Year 2020/2021

The Company issued shares at the following times since 1 July 2020:

Date	Type of Issue	Number of Shares Issued	Issue Price
10 June 2021	Placement	17,507,151	\$0.14 per share
11 June 2021	Placement	350,000	\$0.14 per share
3 August 2021	Unlisted employee performance rights	429,536	-
16 August 2021	Placement	7,450,000	\$0.14 per share

Note that the placement of Shares on 10 June, 11 June and 16 August 2021 were approved by Securityholders at the General Meeting held on 5 August 2021. At this meeting the 15% placement facility was reset by Securityholders. The unlisted employee Performance Rights Plan was approved by Securityholders at the General Meeting held on 30 April 2020. NSX currently has in place the full 15% placement capacity.

The Company has not sought approval for the 10% placement facility in the last two AGM's held in 2019 and 2020. At this AGM the Company seeks approval from Securityholders for the 10% Placement Facility.

8.3 Eligibility

A company is eligible to seek Securityholder approval for this additional placement capacity if it satisfies both of the following criteria at the date of the AGM:

- a) It has a market capitalisation of AU\$300 million or less; and
- b) Is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will continue to satisfy both these criteria at the date of the AGM as well.

8.4 Number of shares that can be issued (7.1A.2)

The number of shares which may be issued or the Company may agree to issue, under the approval sought by Resolution 4 is calculated in accordance with the following formula as set out in ASX Listing Rule 7.1A.2:

(A x D) – E

Where:

A is the number of shares on issue 12 months before the date of issue or agreement:

- a) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- b) plus the number of partly paid shares that became fully paid in the 12 months;
- c) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the Company's 15% placement capacity without Securityholder approval;
- d) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating the Company's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Securityholders under ASX Listing Rule 7.1 or 7.4.

8.5 Issue Price (7.1A.3)

For the purposes of ASX Listing Rule 7.3A.1, the following information is provided:

The minimum price at which the ordinary shares will be issued will be no less than 75% of the volume weighted average price for ordinary shares calculated over the 15 trading days on which trades are recorded immediately before:

- a) the date on which the price at which the securities are to be issued is agreed; or
- b) if the securities are not issued within 5 trading days of the date in paragraph (a) above, the date on which the securities are issued.

8.6 Statement of risk and dilution to existing shareholdings (7.3A.2)

The existing ordinary Securityholders face the risk of economic and voting dilution as a result of the issue of equity shares which are the subject of this resolution, to the extent that such shares are issued; including:

- a) the market price of ordinary shares may be significantly lower on the issue date than on the date on which this approval is being sought; and
- b) the ordinary shares may be issued at a price that is at a discount to the market price for those ordinary shares on the issue date.

The following table gives examples of the potential dilution of existing ordinary Securityholders on the basis of the current market price of the Company's ordinary shares and the current number of ordinary shares as at the date of this Notice of Meeting and Explanatory Memorandum (Variable A) calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of this Notice of Meeting and Explanatory Memorandum.

The following dilution table also shows:

- a) examples of where Variable A has increased by 50%, and by 100%, respectively. The number of ordinary securities on issue may increase as a result of issues or ordinary securities that do not require Securityholder approval (for example the pro-rata entitlement issue or script issue under a takeover offer) or future specific requirements under Listing Rule 7.1 that are approved as a future Securityholders meeting; and
- b) examples of where the issue price of ordinary securities has decreased by 50%, and increased by 100%, respectively, as against the current market price.

Dilution Table

Share Capital (Variable 'A' in Listing Rule 7.1A.2)		Dilution Table		
		50% Decrease in Issue price	Current Issue Price	100% increase in Issue Price
Price		0.049	0.098	0.196
Current Issued Shares	Number of Shares	28,261,308	28,261,308	28,261,308
	282,613,079 Funds \$	1,384,804	2,769,608	5,539,216
50% Increase in Shares	Number of Shares	42,391,962	42,391,962	42,391,962
	423,919,619 Funds \$	2,077,206	4,154,412	8,308,825
100% Increase in shares	Number of Shares	56,522,616	56,522,616	56,522,616
	565,226,158 Funds \$	2,769,608	5,539,216	11,078,433

The dilution table has been prepared on the following hypothetical assumptions. The Company does not represent that they will necessarily occur.

- a) The table assumes that the Company issues the maximum number of ordinary shares available under ASX Listing Rule 7.1A.
- b) The table assumes that no options or performance rights are exercised for ordinary shares before the date of the issue of ordinary shares under ASX Listing Rule 7.1A.
- c) The table does not show an example of dilution that may be issued to a particular Securityholder by reason of placements under the 10% Placement Facility based on that Securityholder's interest at the date of the meeting.
- d) The table shows the effect of an issue of ordinary shares under ASX Listing Rule 7.1A, not under the Company's 15% placement capacity under ASX Listing Rule 7.1.
- e) The issue price of AU\$0.098 being the closing price of the shares on 12 October 2021.

8.7 Date of Issue of shares (7.3A.3)

The date by which the Company may issue the ordinary shares is the period commencing on the date of the AGM (to which this Notice of Meeting relates i.e. 24 November 2021) at which approval is obtained and expiring on the first to occur of the following:

- a) the date which is 12 months after the date of the AGM at which approval is obtained (i.e. 24 November 2022); and

- b) the date of the approval by Securityholders of the Company's ordinary shares of a transaction under ASX Listing Rule 11.1.2 or 11.2. The approval under ASX Listing Rule 7.1A will cease to be valid in the event that holders of the Company's ordinary shares approve a transaction under ASX Listing Rule 11.1.2 or 11.2.

8.8 Purpose of the 10% placement (7.3A.4)

The Company may seek to issue Shares under the 10% Placement for either:

- a) a cash issue price. In this case, the Company may use the funds for working capital or for other corporate purposes; or
- b) non-cash consideration, such as for the acquisition of new assets or investments, subject to any applicable ASX requirements.

In either case, the cash issue price or the value of the non-cash consideration must comply with the minimum issue price noted above.

8.9 Allocation policy (7.3A.5)

The Company's allocation policy is dependent on the prevailing market conditions at the times of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- a) The methods of raising funds that are available to the Company;
- b) The effect of the issue of the Equity Securities on the control of the Company. Allocation will be subject to takeover thresholds;
- c) The financial situation and solvency of the Company; and
- d) The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Securityholders and/or new Securityholders who are not related parties or associates of a related party of the Company.

8.10 Allotment of shares in previous 12 months (7.3A.6)

The Company did not obtain approval under ASX Listing Rule 7.1A at last year's Annual General Meeting held on 26 November 2020 for a 10% placement facility. On 4 October 2018 the Company issued 22,185,793 shares as a placement pursuant to ASX Listing Rule 7.1. As these shares were issued more than 12 months prior to the Annual General Meeting then the Company is now able to utilise its full 15% placement capacity again.

As required by Listing Rule 7.3A.6(a) the total number of securities issued preceding the date of the meeting and the percentage they represent of the Company's securities on issue at the commencement of that 12 month period are presented in the table below:

Date	Type of Issue	Number of Shares Issued	Issue Price	SecurityHolder Approval
10 June 2021	Placement	17,507,151	\$0.14 per share	5 August 2021
11 June 2021	Placement	350,000	\$0.14 per share	5 August 2021
3 August 2021	Unlisted employee performance rights	429,536	-	30 April 2020

Date	Type of Issue	Number of Shares Issued	Issue Price	SecurityHolder Approval
16 August 2021	Placement	7,450,000	\$0.14 per share	5 August 2021

8.11 Voting exclusions (7.3A.7)

The Voting Exclusion Statement is set out under the Resolution in the Notice of Meeting. At the date of the Notice, the proposed allottees of any Securities which may be issued in accordance with this resolution are not as yet known or identified. In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue.

Where it is not known who will participate in the proposed issue (as is the case in respect of the Securities which may be issued in accordance with this resolution), Securityholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted and there is no reason to exclude their votes.

8.12 Special resolution requirements

Resolution 7 is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes cast by Securityholders entitled to vote on Resolution 7 must be in favour of the resolution.

8.13 Director Recommendation

9.2 Outline of terms of the Performance Rights Plan

A summary of the key terms and conditions of the Performance Rights Plan is set out below which was approved by SecurityHolders at the General Meeting held on 30 April 2020. In addition, a copy of the Performance Rights Policy is available for review by SecurityHolders on the NSX website at nsx.com.au/about/governance/constitution-and-policies.

Participation

Carefully designed, performance linked, equity plans are widely considered to be very effective in providing long term incentives to staff. As well, they are used to attract and retain staff by providing them with the opportunity to participate in the creation of a valuable personal asset – a financial stake in the Company.

As part of the Company's strategy, the Board wishes to be in a position to grant Performance Rights under the Performance Rights Plan to employees (including Directors), to achieve the objectives outlined above. A Performance Right is a right to be issued a Share upon satisfaction of certain performance conditions that are attached to the Performance Right, as determined by the Board. In accordance with the requirements of the ASX Listing Rules, prior Shareholder approval will be required before any Director or related party of the Company can participate in the Performance Rights Plan.

Overview of the Performance Rights Plan rules and terms and conditions

The Board is cognisant of general SecurityHolder concern that long-term equity based rewards for staff should be linked to the achievement by the Company of a performance condition. Performance Rights granted under the Performance Rights Plan to eligible participants will be subject to performance conditions as determined by the Board from time to time. These performance conditions must be satisfied in order for the Performance Rights to vest. Upon Performance Rights vesting and the employee being advised that the vesting conditions have been met, Shares will be issued to the employee exercising the Performance Rights.

The Board considers the Performance Rights Plan a crucial mechanism to encourage and retain high level executive and employee performance. The Board intends to implement the Performance Rights Plan, and set the performance conditions, in a manner designed to incentivise and reward high level executive and employee performance.

The main features of the Performance Rights Plan are summarised as follows:

Eligible Participants: The eligible participants under the Performance Rights Plan are full time or part time employees (including Directors) of the Company and its subsidiaries, a contractor or casual employee who works a pro-rata equivalent of 40% or more of a comparable full-time position for the Company or its subsidiaries, or any other person determined by the Board to be an eligible employee for the purposes of the Plan ("**Eligible Employees**").

In accordance with the ASX Listing Rules, prior Shareholder approval will be required before any Director or related party of the Company can participate in the Performance Rights Plan and be granted Performance Rights.

Limits on Entitlements: The Company may issue such number of Performance Rights, where the number of Shares that may be acquired on conversion of those Performance Rights when added to the total number of Shares or Performance Rights that have already been issued pursuant to the Performance Rights Plan or other incentive scheme in the previous three years, will not exceed 3% of the total number of issued Shares at the time of the issue.

If relying on an ASIC class order to grant Performance Rights, the Company will ensure that it complies with any limit on the number of Performance Rights that may be issued as required by such ASIC class order.

Individual Limits: The Performance Rights Plan does not set out a maximum number of Shares that may be issued to any one person or company.

Consideration Payable: Performance Rights will be issued for no consideration and no amount will be payable upon exercise thereof.

Offer and Performance Conditions: The Performance Rights issued under the Performance Rights Plan to Eligible Employees may be subject to performance conditions, determined by the Board from time to time and expressed in a written offer letter (Offer) made by the Company to the Eligible Employee which is subject to acceptance by the Eligible Employee within a specified period. The performance conditions may include one or more of (i) service to the Company of a minimum period of time (ii) achievement of specific performance conditions by the participant and/or by the Company (iii) a vesting period following satisfaction of performance conditions before the Performance Rights vest, or (iv) such other performance conditions as the Board may determine and set out in the Offer. The Board in its absolute discretion determines whether performance conditions have been met.

Milestone Date, Expiry Date & Lapse: Performance Rights will have an expiry date as the Board may determine in its absolute discretion and specify in the Offer. The Board is not permitted to extend an expiry date without Shareholder approval.

The performance conditions of Performance Rights will have a milestone date as determined by the Board in its absolute discretion and will be specified in the Offer. The Board shall have discretion to extend a milestone date where the Board (in its sole discretion) considers that unforeseen circumstances or events have caused a delay in achieving the performance condition by the milestone date. The Board shall not be permitted to extend the milestone date beyond the expiry date of the Performance Rights.

If a performance condition of a Performance Right is not achieved by the earlier of the milestone date or the expiry date then the Performance Rights will lapse. A Performance Right will also lapse if the Board determines the participant ceases to be an Eligible Employee for the purposes of the Performance Rights Plan for any reason (other than as a result of retirement, disability, bona fide redundancy or death).

Retirement, Disability, Redundancy or Death: Under the Performance Rights Plan, upon the retirement, total and permanent disability, bona fide redundancy or death of a participant, the Board shall determine, in its discretion, whether those Performance Rights which have not satisfied the performance condition but have not lapsed, shall in whole or in part be deemed to have become vested Performance Rights or be deemed to have lapsed.

Forfeiture: If a participant acts fraudulently or dishonestly or is in breach of his or her obligations to the Company, the Board will have the discretion to deem any Performance Rights to have lapsed and deem any Performance Rights that have become Shares to be forfeited. In the event the underlying Shares have been sold by the participant, the participant will be required to pay all or part of the net proceeds of that sale to the Company.

Assignment: Without prior approval of the Board, Performance Rights may not be transferred, assigned or novated, except, upon death, a participant's legal personal representative may elect to be registered as the new holder of such Performance Rights and exercise any rights in respect of them.

Takeover Bid or Change of Control: All Performance Rights automatically vest in the event of:

- a) a Court ordering a meeting to be held in relation to a proposed compromise or arrangement for the purposes of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation
- b) with any other company or companies and the SecurityHolders of the Company approve the proposed compromise or arrangement at such meeting;
- c) a takeover bid (as defined in the Corporations Act) is announced, has become unconditional and the person making the takeover bid has a relevant interest in 50% or more of the shares in the Company; or placement
- d) any person acquires a relevant interest in 50.1% or more of the shares in the Company by any other means.

Alteration in Share Capital: Appropriate adjustments will be made to the number of Performance Rights in accordance with the ASX Listing Rules in the event of a reconstruction of the share capital of the Company, such as a share consolidation, share split or other reduction of capital.

Pro Rata Issue of Securities: If, during the term of any Performance Rights, the Company makes a pro rata issue of securities to the Company's SecurityHolders by way of a rights issue, the holder thereof shall be entitled to participate in the rights issue on the same terms as the Company's SecurityHolders as if the holder held that number of Shares equal to the number of Shares issuable to the holder if all of the holder's Performance Rights were exercised prior to the record date for determining entitlement under the pro rata issue.

A holder will not be entitled to any adjustment to the number of Shares he or she is entitled to under any Performance Rights or adjustment to any Performance Condition which is based, in whole or in part, upon the Company's Share price, as a result of the Company undertaking a rights issue.

Bonus Issue: If, during the term of any Performance Rights, the Company completes a bonus issue, the number of Shares each Performance Rights holder is then entitled to, shall be increased by that number of securities which the holder would have been issued if the Performance Rights then held by the holder were exercised immediately prior to the record date for the bonus issue.

Participation in other Opportunities: There are no participation rights or entitlements inherent in the Performance Rights though the Company will use its reasonable endeavours to ensure that each holder is given an opportunity to participate on the same basis as if his or her Performance Rights had been exercised.

Termination, Suspension or Amendment: The Board may terminate, suspend or amend the Performance Rights Plan at any time subject to any resolution of the Company required by the ASX Listing Rules.
