Basis of accounts preparation

If this statement is a half yearly statement it should be read in conjunction with the last annual report and any announcements to the market made by the entity during the period.

Material factors affecting the revenues and expenses of the entity for the current period including seasonal or cyclical factors

The recent global financial crisis has adversely impacted the stability of the international financial system. The current global financial crisis presents a challenge for all financial institutions, including Bendigo and Adelaide Bank and in turn East Gosford & Districts Financial Services Limited. The duration and extent of the global financial crisis is still largely unknown and continuation of these conditions could adversely affect the ongoing financial performance or financial condition of the Company's business as a franchisee of a Community Bank® branch.

Notes

True and fair view If this statement does not give a true and fair view of a matter (for example, because compliance with an Accounting Standard is required) the entity must attach a note providing additional information and explanations to give a true and fair view.

Income tax If the amount provided for income tax in this statement differs (or would differ but for compensatory items) by more than 15% from the amount of income tax prima facie payable on the profit before tax, the entity must explain in a note the major items responsible for the difference and their amounts.

Additional information An entity may disclose additional information about any matter, and must do so if the information is material to an understanding of the financial statements. The information may be an expansion of the material contained in this statement, or contained in a note attached to the statement.
