Notes

True and fair view. If this statement does not give a true and fair view of a matter (for example, because compliance with an Accounting Standard is required) the entity must attach a note providing additional information and explanations to give a true and fair view.

Income tax: If the amount provided for income tax in this statement differs (or would differ but for compensatory items) by more than 15% from the amount of income tax prima facio payable on the profit before tax, the entity must explain in a note the major items responsible for the difference and their amounts.

Additional information An entity may disclose additional information about any matter, and must do so if the information is material to an understanding of the financial statements. The information may be an expansion of the material contained in this statement, or contained in a note attached to the statement.
