# Chairman's report

---

For year ending 30 June 2008

The last twelve months saw another year of solid growth in our business as the community awareness of our banking services and objectives continued to gain momentum.

Our overall business book grew from \$23 million to \$39 million. We have performed particularly well in new lending business, both commercial and retail, and have exceeded expectations with insurance sales commissions.

As forecast in last year's Annual Report, we attained a breakeven trading position for the first time late in the 2008 financial year and now have the comfort of trading in profit albeit with small margins at this time. We are confident that with the continued increase in business volumes, this profit margin will grow and that both shareholders and the community will benefit from profit distributions in the not too distant future. We will, however, be operating in a tougher economic environment over the ensuing 12 months and this presents challenges for the continuation of business growth at the same rate achieved over the past two years.

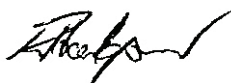

As outlined in the financial statements, the Company still carries an overdraft facility, which was drawn for ongoing working capital requirements prior to attaining profitability. The Board will monitor this facility and make permanent reductions to the debt, as it deems appropriate.

The staff and Board have participated in numerous community events during the year and provided some well received sponsorship and awards to members and groups within the community.

On the personnel front, we welcomed Gayle Pidd to the branch team in the role of Customer Service Officer.

The Board acknowledges the wonderful performance of all the branch staff who continue to provide a very professional and friendly service to all of their customers as well as giving much of their own time to support local community events. During the last 12 months, the branch has gained recognition for their efforts by winning 10 out of 12 monthly awards for being the best-performing Bendigo Bank branch within our region. They also received the annual award for best branch against the seven other branches within the region.

We all look forward to another exciting year for the Emu Park **Community Bank**<sup>®</sup> Branch and thank the shareholders and customers for their continued support.

# Manager's report

---

For year ending 30 June 2008

The 2008 financial year ended with the branch managing business of a value approaching \$40 million. During the year, we introduced many new customers to the **Community Bank**<sup>®</sup> style of banking.

It was a year of highlights. Our team was awarded Branch of the Year in the Central Queensland region. Our team comprises Branch Supervisor Suzy Hill, customer service officers Sue May, Kathy McPhail and Gayle Pidd, Business Banker Steve Myers, Financial Planner Luke Caruana and myself, Branch Manager Denise Weisse.

Congratulations to all team members and I have to make personal acknowledgement of their support and enthusiasm. This award reinforces the level of service and experience that we offer to our customers.

In June 2008 we finally achieved our first profitable month – this result came about four months before our third birthday.

Emu Park **Community Bank**<sup>®</sup> Branch is your bank. We are here to not only provide exceptional banking service to you, but promote the success of our community. We spend many hours in community service on the weekends, and assist local clubs and organisations.

Bendigo Bank continues to provide funds to the branch for market development and sponsorship which has enabled us to support many of the local not-for-profit groups in the district.

Our branch is always looking for opportunities to support our local community.

The message from all of the Emu Park branch team is, we welcome you into the branch, to meet and talk to us about how we can help you and the community.

During the year, our staff came up with a fundraising promotion that will grant \$10,000 in ten lots of \$1000 to local community groups by the end of this financial year. We have an article in the newsletter on how you can contribute. Simply discuss with us your CTP insurance and help us raise the funds.

I recommend that the committees of your local groups call into the branch to discuss how we can assist with marquees, prizes and promotion of your events. In return, we request the opportunity to promote our banking services with your members.

In closing for this year, thank you to everyone who has contributed to the success of the Emu Park **Community Bank**<sup>®</sup> Branch. Please make the time to call into the branch or give us a call to discuss your financial needs. We look forward to meeting you.

Denise Weisse  
Branch Manager

# Directors' report continued

---

## Likely developments

The Company will continue its policy of facilitating banking services to the community.

## Environmental regulation

The Company is not subject to any significant environmental regulation.

## Directors' benefits

No Director has received or become entitled to receive, during or since the financial year, a benefit because of a contract made by the Company, controlled entity or related body corporate with a Director, a firm which a Director is a member or an entity in which a Director has a substantial financial interest except as disclosed in note 18 to the financial statements. This statement excludes a benefit included in the aggregate amount of emoluments received or due and receivable by Directors shown in the Company's accounts, or the fixed salary of a full-time employee of the Company, controlled entity or related body corporate.

## Indemnification and insurance of directors and officers

The Company has indemnified all Directors and the Manager in respect of liabilities to other persons (other than the Company or related body corporate) that may arise from their position as Directors or Manager of the Company except where the liability arises out of conduct involving the lack of good faith.

Disclosure of the nature of the liability and the amount of the premium is prohibited by the confidentiality clause of the contract of insurance. The Company has not provided any insurance for an Auditor of the Company or a related body corporate.

## **Non Audit services**

The Company may decide to employ the Auditor on assignments additional to their statutory duties where the Auditor's expertise and experience with the Company are important. Details of the amounts paid or payable to the Auditor (Andrew Frewin & Stewart) for audit and non audit services provided during the year are set out in the notes to the accounts.

The Board of Directors has considered the position, in accordance with the advice received from the audit committee and is satisfied that the provision of the non-audit services is compatible with the general standard of independence for Auditors imposed by the Corporations Act 2001.

The Directors are satisfied that the provision of non-audit services by the Auditor, as set out in the notes did not compromise the Auditor independence requirements of the Corporations Act 2001 for the following reasons:

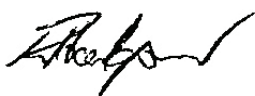

all non-audit services have been reviewed by the audit committee to ensure they do not impact on the impartiality and objectivity of the Auditor;

none of the services undermine the general principles relating to Auditor independence as set out in Professional Statement F1, including reviewing or auditing the Auditor's own work, acting in a management or a decision-making capacity for the Company, acting as advocate for the Company or jointly sharing economic risk and rewards.

## **Auditors' independence declaration**

A copy of the Auditors' independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 9.

Signed in accordance with a resolution of the Board of Directors at Emu Park, Queensland on 19 September 2008.

# Notes to the financial statements

---

For year ending 30 June 2008

## Note 1. Summary of significant accounting policies

### **Basis of preparation**

This general purpose financial report has been prepared in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001.

#### *Compliance with IFRS*

Australian Accounting Standards include Australian equivalents to International Financial Reporting Standards (AIFRS). Compliance with AIFRS ensures that the financial statements and notes comply with International Financial Reporting Standards (IFRS). These financial statements and notes comply with IFRS.

#### *Historical cost convention*

The financial report has been prepared under the historical cost conventions on an accruals basis as modified by the revaluation of financial assets and liabilities at fair value through profit or loss and where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

### **Revenue**

Interest and fee revenue is recognised when earned. All revenue is stated net of the amount of Goods and Services Tax (GST). The gain or loss on disposal of property, plant and equipment is recognised on a net basis and is classified as income rather than revenue.

### **Goods and services tax**

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable for the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet. Cash flows are included in the statement of cash flows on a gross basis.

The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operation cash flows.

### **Income tax**

#### *Current tax*

Current tax is calculated by reference to the amount of income taxes payable or recoverable in respect of the taxable profit or tax loss for the period. It is calculated using tax rates and tax laws that have been enacted or substantively enacted by reporting date. Current tax for current and prior periods is recognised as a liability (or asset) to the extent that it is unpaid (or refundable).

# Notes to the financial statements continued

---

## Note 1. Summary of significant accounting policies (continued)

### **Income tax (continued)**

#### *Deferred tax*

Deferred tax is accounted for using the comprehensive balance sheet liability method on temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax base of those items.

In principle, deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that sufficient taxable amounts will be available against which deductible temporary differences or unused tax losses and tax offsets can be utilised. However, deferred tax assets and liabilities are not recognised if the temporary differences giving rise to them arise from the initial recognition of assets and liabilities (other than as a result of a business combination) which affects neither taxable income nor accounting profit. Furthermore, a deferred tax liability is not recognised in relation to taxable temporary differences arising from goodwill.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period(s) when the asset and liability giving rise to them are realised or settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by reporting date. The measurement of deferred tax liabilities reflects the tax consequences that would follow from the manner in which the consolidated entity expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax and when the balances relate to taxes levied by the same taxation authority and the Company/consolidated entity intends to settle its tax assets and liabilities on a net basis.

#### *Current and deferred tax for the period*

Current and deferred tax is recognised as an expense or income in the income statement, except when it relates to items credited or debited to equity, in which case the deferred tax is also recognised directly in equity, or where it arises from initial accounting for a business combination, in which case it is taken into account in the determination of goodwill or excess.

### **Employee entitlements**

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

The Company contributes to a defined contribution plan. Contributions to employee superannuation funds are charged against income as incurred.

### **Intangibles**

The cost of the Company's franchise fee has been recorded at cost and is amortised on a straight line basis at a rate of 20% per annum.

# Notes to the financial statements continued

---

## Note 1. Summary of significant accounting policies (continued)

### **Cash**

For the purposes of the statement of cash flows, cash includes cash on hand and in banks and investments in money market instruments, net of outstanding bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

### **Comparative figures**

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

### **Property, plant and equipment**

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including freehold buildings but excluding land. Depreciation is calculated on a straight line basis so as to write off the net cost of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated at the rate equivalent to the available building allowance using the straight line method. The estimated useful lives, residual values and depreciation method is reviewed at the end of each annual reporting period.

The following estimated useful lives are used in the calculation of depreciation:

- leasehold improvements	40 years
- plant and equipment	2.5 - 40 years
- furniture and fittings	4 - 40 years

### **Critical Accounting Estimates and Judgements**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results.

There are no estimates or assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

### **Payment terms**

Receivables and payables are non interest bearing and generally have payment terms of between 30 and 90 days.

# Notes to the financial statements continued

---

Note 1. Summary of significant accounting policies (continued)

## **Trade receivables and payables**

Receivables are carried at their amounts due. The collectability of debts is assessed at balance date and specific provision is made for any doubtful accounts. Liabilities for trade creditors and other amounts are carried at cost that is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Company.

## **Borrowings**

All loans are initially measured at the principal amount. Interest is recognised as an expense as it accrues.

## **Provisions**

Provisions are recognised when the economic entity has a legal, equitable or constructive obligation to make a future sacrifice of economic benefits to other entities as a result of past transactions or other past events, it is probable that a future sacrifice of economic benefits will be required and a reliable estimate can be made of the amount of the obligation.

A provision for dividends is not recognised as a liability unless the dividends are declared, determined or publicly recommended on or before the reporting date.

## **Contributed equity**

Ordinary shares are recognised at the fair value of the consideration received by the Company. Any transaction costs arising on the issue of ordinary shares are recognised directly in equity as a reduction of the share proceeds received.

## **Earnings per share**

Basic earnings per share is calculated by dividing the profit attributable to equity holders of the Company, excluding any costs of servicing equity other than ordinary shares, by the weighted average number of ordinary shares outstanding during the financial year, adjusted for bonus elements in ordinary shares issued during the year.

# Notes to the financial statements continued

---

## Note 2. Financial risk management

The Company's activities expose it to a limited variety of financial risks: market risk (including currency risk, fair value interest risk and price risk), credit risk, liquidity risk and cash flow interest rate risk. The Company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the entity. The entity does not use derivative instruments.

Risk management is carried out directly by the Board of Directors.

### *(i) Market Risk*

The Company has no exposure to any transactions denominated in a currency other than Australian dollars.

### *(ii) Price Risk*

The Company is not exposed to equity securities price risk as it does not hold investments for sale or at fair value. The Company is not exposed to commodity price risk.

### *(iii) Credit Risk*

The Company has no significant concentrations of credit risk. It has policies in place to ensure that customers have an appropriate credit history. The Company's franchise agreement limits the Company's credit exposure to one financial institution, being Bendigo Bank Limited.

### *(iv) Liquidity Risk*

Prudent liquidity management implies maintaining sufficient cash and marketable securities and the availability of funding from credit facilities. The Company believes that its sound relationship with Bendigo Bank Limited mitigates this risk significantly.

### *(v) Cash flow and fair value interest rate risk*

Interest-bearing assets are held with Bendigo Bank Limited and subject to movements in market interest. Interest-rate risk could also arise from long-term borrowings. Borrowings issued at variable rates expose the Company to cash flow interest-rate risk. The Company believes that its sound relationship with Bendigo Bank Limited mitigates this risk significantly.

## INDEPENDENT AUDITOR'S REPORT

To the members of Emu Park & District Financial Services Limited

We have audited the accompanying financial report of Emu Park & District Financial Services Limited, which comprises the balance sheet as at 30 June 2008, and the income statement, statement of changes in equity and cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory notes and the director's declaration.

The company has disclosed information as required by paragraphs Aus 25.4 to Aus 25.7.2 of Accounting Standard 124 Related Party Disclosures ("Remuneration disclosures"), under the heading "Remuneration Report" in the directors' report, as permitted by Corporations Regulation 2M.6.04.

### Directors Responsibility for the Financial Report

The Directors are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In note 1, the directors also state that the financial report, comprising the financial statements and notes, complies with International Financial Reporting Standards. The directors are also responsible for the remuneration disclosures contained in the director's report.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement and that the remuneration disclosures comply with Accounting Standards AASB 124 Related Party Disclosures.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial report.

Our audit did not involve an analysis of the prudence of business decisions made by directors or management. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Liability limited by a scheme approved under Professional Standards Legislation

## **Independence**

In conducting our audit we have met the independence requirements of the Corporations Act 2001. We have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the director's report. In addition to our audit of the financial report and the remuneration disclosures, we were engaged to undertake the services disclosed in the notes to the financial statements. The provision of these services has not impaired our independence.

## **Auditor's Opinion**

In our opinion:

- 1) The financial report is in accordance with the Corporations Act 2001 including giving a true and fair view of the financial position of Emu Park & District Financial Services Limited as of 30 June 2008 and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.
- 2) The financial report also complies with International financial reporting standards as disclosed in Note 1.
- 3) The remuneration disclosures that are contained in the director's report comply with Accounting Standards AASB 124 Related Party Disclosures.
