Community Bank™ Branch Bendigo Bank

“Community Bank’s 1000th Account Holder
Recognised “

Deloraine: 7th April 2006

Deloraine and Districts Community Bank® Branch Bendigo Bank has opened its 1000th account and marked the occasion with a special congratulatory certificate to the 1000th account holder, Mrs. Irene Thomas, proprietor of the “Highland Rose” Bed and Breakfast accommodation in Deloraine.

Dr. Chris Moorhouse Chairman of Meander Valley Financial Services Ltd, presented Mrs. Thomas with her certificate on behalf of Bendigo Bank.

“The Board of Directors and the Branch Staff jointly share the spirit of celebration this milestone represents,” Dr. Moorhouse said.

“Community Bank® operations are relatively new to Tasmania but in the past 3 years, Geeveston-Dover, Queenstown and Deloraine and Districts have set the pace for providing excellence in products and services. While we are marking this first 1000th account, the Board and Branch Staff hold the opinion that all our customers are celebrities,” Dr. Moorhouse said.

Branch Manager, John Tabor agrees. “It is always pleasing to mark a special occasion in a new and growing business,” Branch Manager, John Tabor said.

“ The Branch is now well passed the 1000th account mark with a significant number of local club and organizations opening new accounts,” Branch Manager, John Tabor, added. “In fact, our 1001st account belongs to the Western Tiers Rural Youth and we welcome this show of support from this active, vital, community group.”
