Material factors affecting the revenues and expenses of the entity for the current period including seasonal or cyclical factors

<p>The recent global financial crisis has adversely impacted the stability of the international financial system. The current global financial crisis presents a challenge for all financial institutions, including Bendigo and Adelaide Bank and in turn Paynesville & District Financial Services Limited. The duration and extent of the global financial crisis is still largely unknown and continuation of these conditions could adversely affect the ongoing financial performance or financial condition of the Company's business as a franchisee of a Community Bank® branch.</p>
