Description of disposals

Comments by directors

Basis of accounts preparation

If this statement is a half yearly statement it should be read in conjunction with the last annual report and any announcements to the market made by the entity during the period.

Material factors affecting the revenues and expenses of the entity for the current period including seasonal or cyclical factors

None

Date 23/08/2000

Page 14 of 17

A description of each event since the end of the current period which has had a material effect and is not related to matters already reported, with financial effect quantified (if possible)

None

Franking credits available and prospects for paying fully or partly franked dividends for at least the next year

None

Changes in accounting policies since the last annual report and estimates of amounts reported in prior years are disclosed as follows.

Adoption of AIFRS including recognition of Deferred Tax Assets in relation to benefits that will be realised on probable basis (previously there was no recognition unless there was reasonable certainty).

Changes in the amounts of contingent liabilities or assets since the last annual report are disclosed as follows.

None

Additional disclosure for trusts

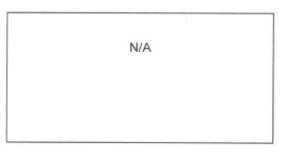

Number of units held by the management company or responsible entity to their related parties.

N/A

A statement of the fees and commissions payable to the management company or responsible entity.

Identify:

- Initial service charges
- Management fees
- Other fees

Notes

True and fair view If this statement does not give a true and fair view of a matter (for example, because compliance with an Accounting Standard is required) the entity must attach a note providing additional information and explanations to give a true and fair view.

Income tax If the amount provided for income tax in this statement differs (or would differ but for compensatory items) by more than 15% from the amount of income tax *prima facie* payable on the profit before tax, the entity must explain in a note the major items responsible for the difference and their amounts.

Additional information An entity may disclose additional information about any matter, and must do so if the information is material to an understanding of the financial statements. The information may be an expansion of the material contained in this statement, or contained in a note attached to the statement.
